## *Friends of the Simon Fairfield Public Library*

The Friends of the Simon Fairfield Public Library are wishing everyone a Happy New Year. As we enter a new decade, we wish to continue our support of the library and their dedicated staff. The Friends are always looking for new members and there are also openings on the board. We welcome new ideas that will help fund new and existing programs at the library. We are planning to have our plant and book sales Memorial Day weekend and during Octoberfest. Donations are always gratefully accepted. These efforts have been very successful in generating extra funds and we hope to continue this positive trend.

Please consider becoming a Friend of the Library and helping us continue to be a valuable source of information and technology in our community.

—Carolyn S. Dorval, President

### *Donations from Friends like you provided our library with some of our favorite things*

As always, I am extremely grateful for the Friends and all they do to support the Library. This year I am further enlisting the Friends in a capital campaign. 2020 is the twentieth year since the Trustees began the Library Accessibility Renovation Project. The one unrelenting barrier that always keeps the project from moving forward is funding. We are tackling that problem this year, and you can help! You can now donate to the library's accessibility project directly from the Friends page on the Library website using their paypal button. Every donation brings us closer to having a library for everyone. Thank you for your generosity and thank you for reading.

—Justin Snook, Library Director

## FRIENDS ARE NEEDED:

- To support, extend, and advertise library services to a growing community
- To preserve the fundamental ideas of freedom of expression and reading
- To be advocates for the library among the general public and town government
- To provide volunteer opportunities for fund-raising activities
- To sort through book donations and organize Friends' holdings.
- To show pride in your community and your library
